Research Activity (indicative list)	Date of activity	Details of activity (narrative, bullet points etc)	Associated to project/activity/group /other	Impact Area	Type of impact	Details on the type of impact (narrative) and possible follow-up	Is the impact expected or has ti been achieved? (Dates)	Who benefits?	Any evidence?	Where is this available?
Examples:		*e.g. description of role* *how invitation to join came forth* *how does the role relate to your research*			*e.g. Research informed a decision of the Board*	*e.g. provide more details of the potential change*		*e.g.Organisation 'X', a number of orgs, policymakers, public, community*	*direct citation of my research in decision 3B of the Board*	
Board membership		*frequency of the role etc.*		*e.g. Policy, Health, Culture etc.*	*e.g. Board was positively interested to the research dimension introduced*	*e.g. There is no action point for now but they promised to revisit the subject in March 2015*	*Achieved/Expected March 2015*			*e.g. weblink, hard copy, media etc.*
Publication			*e.g. DOI*							
Prize-Recognition									*acknowledgment*	
Events- hosting									*attachment*	
Events - Conference attendance									*web link*	
Events - Workshop attendance									*e-mail*	
Events - Seminar attendance									*citation*	
Events - Invited keynote speech									*testimony*	
Events - Chairing of session (moderation)									*quote*	
Other invited talk										
Public engagement activity										
Outreach activity (i.e. in Schools)										
Co-produced publication										
Focus Group										
Study Visit										
Secondment										
Work shadowing agreement										
Knowledge Exchange activity with non-academic organisation										
Media (Press Release)										
Media (Interview [TV, Newspaper, Radio, Internet media])		*e.g. how many are expected to watch/access it?*		*e.g. Health policy*	*e.g. contributed to the debate on a certain issue*	*e.g. How did the users react/respond etc? What did they think? (e.g. check comments on blogs or news articles etc)*	*e.g. expected on 10 Oct 2014*	*e.g. A wider/specialised public/particular segments of the public*	*e.g.blog comments phone calls to the media etc.*	
Media (Blog)										
Social media (Facebook, Twitter, LinkedIn)										
Interaction with industry - meeting										
Interaction with industry - consultancy										
Interaction with industry - sponsorship										
Network membership										
Freetext
